

Water & Oil Soluble Diamond Compound Optimum for Achieving Excellent Finishes, Rapidly with Minimum Effort & Cost.

Falcon Diamond Compound is the ultimate polishing medium! Diamond is the hardest material by a large margin & therefore cuts all other materials with ease. Falcon Diamond Compound consists of extremely sharp, blocky diamond particles of uniform size suspended in a specially designed carrier. All compounds are supplied in disposable 2 gram, 5 gram and 18 gram plastic applicators and are water and oil soluble.
