

“GS” EDM Polishing Stone

Exceptional Performance on EDM Surfaces.

Made with premium aluminum oxide grain and a proprietary treatment process, the GS Stone leaves a smooth silky finish and works well on EDM surfaces, milling and machining marks. Made in the USA 

- Medium hardness & fast breakdown offering quick material removal
- Leaves a smooth silky finish
- Works on all tool steels
- Contours quickly
- Does not require lengthy pre-lubrication before use
- Terrific when used during hand stoning
- Also works well with profilers
